# From Estellencs to Puigpunyent through Camí Real

This route goes through Serra de Tramuntana along the Camí Real, that linked both Estellencs and Puigpunyent. Coll d'Estellencs way allows us to change from one side to the other of the mountain.

The route starts at the car park area, located on Carrer de Eusebi Pascual, throughout the urban area of Estellencs along Carrer de Sa Siquia. It starts its way uphill over the forest track and soon we will see Son Fortuny houses at a certain distance. Further on, leaving behind the forest track, we follow the path Camí Real through Es Rafalet and Es Trast des Eivissencs, to reach Coll d'Estellencs, the highest location of the route (652 m.).

After crossing to the western side, the trail turns to the south heading Barranc Fondo, always along the way of Camí Real, also known as Camí Vell d'Estellencs. We will pass by Font de s'Albelló and then continue downhill until PMV 1101 road, that leads us to Puigpunyent town after a few metres.
